r2p IN CONSTRUCTION

Science, Strategies & Partnerships to Advance Safety & Health

Eileen Betit
Director, Research to Practice
The Challenge: Build r2p Capacity

Get vital information to the worker “in the trench” or “on the steel”

Persuade contractors and workers to use the interventions that are developed through research
WHAT WE DID...

Triage Process:
- Developed & tested triage tool
- 17 completed projects reviewed
- 6 r2p priorities identified

Roadmaps:
- Developed and tested with 11 projects
Build r2p Capacity:
r2p Working Group

WHAT WE DID...CONDOR ♦ Dissemination Planning.....
Build r2p Capacity:
Partnerships

- Partnership Case Studies
- Exploratory Latino Falls
- Prevention Partnerships
- Model Partnership
- Partnership Toolkit
Build r2p Capacity: Supplemental Projects

- 10 IMPACT Cards
- Latino Construction Resources
- American Journal of Industrial Medicine Special r2p Collection
- Social Marketing Toolkit
- Dissemination Case Examples
Build r2p Capacity:
Other CPWR Initiatives

- Data Center
- Research & Communications
- Construction Solutions
- eLCOSH-Nano
- ROI
- 52 Toolbox Talks

Practice
r2p Next Steps

Core + Prevention Partnerships = r2p infrastructure & partnerships
r2p Next Steps

- **Triage** completed projects
- **Use Roadmap Process** with the new internal projects and the 6 external projects
- Develop, expand, maintain, disseminate and evaluate research translation materials
- CONDOR contacts and use
r2p Next Steps

- Masonry r2p Partnership
- **Roofing Partnership** (new)
  - Multi-trade labor-management RF Radiation Work Group
- **TRU-Net** Forum & Formal Research Projects
- **Roundtable** on immigrant workers & small contractors
  - Evaluation of study of NIOSH Designed 52 Toolbox Talks
r2p Next Steps

OSHA-NIOSH-CPWR r2p Working Group:

- Nail Guns = Dissemination
- Silica Safety = Update/adapt to standard
- Technology Transfer = Expand roadmap/ROI
- Falls = Support campaign activities
- Residential/Small Business/Vulnerable Workers = Build infrastructure/52 toolbox talk study
- Safety Culture/Climate = Expand content/access on web/evaluate use
- Noise = Buy Quiet dissemination/; infographics/ noise-hearing loss surveys
r2p Next Steps

Online Partnership Network & Community of Practice

- Government
